July 7th, 2020, Treatment & Recovery Co-Chair, Laura McCarthy & with Melissa Lyon, Advanced Recovery Systems Hosted Zoom meeting with Jully Hernandez, 2-1-1 Brevard Facilitator.

- The following organizations participated and presented information:
- Johnette Gidding President Space Coast Health Foundation
- Lori Parsons – Lifetime Counseling
- Stephen Lord – Circles of Care, VP Communications
- Melissa Lyon – Advanced Recovery Systems
- Jully Hernandez – 2-1-1 Brevard
- David Knessy – Florida Treatment Centers
- Denise Holden – RASE Project
- Laura McCarthy, MA, LMHC, MCAP – co-chair Treatment & Recovery Subcommittee

Each person shared the organization they were with and services they provide to help 2-1-1 representative be better informed to serve the opioid clients when they call.

Circles of Care is now drop in for Detox and IOP is now being offered for all client's county wide in Rockledge where previously it had been for detox or rehab clients only. Detox services are located at 400 East Sheridan Road in Melbourne.

RASE project will help people get to AA or NA meetings via offering transportation, for intake call 321-305-4397.

Overall, everyone agreed we could build more connection with other providers in the county to build resources for opioid and SUD clients.
